

Enjoy a world with clarity.

Clarity Aligners are almost invisible, but their results aren't. The custom fit aligners are designed to guide your teeth into their ideal position, so you end up with a smile you love.

You only have one smile.

At the end of the day, you only have one smile, make it your best with the help of your orthodontist and Clarity Aligners.

It's worth it.

Clarity Aligners will make you smile about your smile. They are an investment not only in your personal appearance but also in your long-term oral health. We think that's worth every penny, and more importantly, you deserve it!

The smile you want from a trusted global brand.

3M™ Clarity™ Aligners are just one of our innovative, esthetic options for improving your smile. 3M has been in the business of moving teeth for over 70 years and we've been making products you love for even longer.

Take the first step in getting the healthy smile you deserve, ask your orthodontist about Clarity Aligners today!

3M | Clarity™ Aligners

Clearly, you're on the right track.

with 3M™ Clarity™ Aligners

Prepare to smile with total confidence.

Clarity Aligners are nearly invisible clear aligners that are designed to straighten your teeth, close gaps between teeth, help with crowded teeth, giving you the bigger, brighter smile you've always wanted.

Take the first step toward achieving the smile you've always wanted, ask your orthodontist today about Clarity Aligners.

Need a reason to give 3M™ Clarity™ Aligners a try? Here's five:

We get it, you're busy.

Clarity Aligners fit into your busy lifestyle. They're discreet and removable allowing you to straighten your teeth on your terms.

Make your dentist proud.

Removable Clarity Aligners allow you to maintain your flossing and good oral hygiene habits when it's convenient for you.

Eat what you want, when you want.

Avoid the awkward food-stuck-in-braces faux pas and enjoy the foods you love with removable Clarity Aligners.

Custom fit just for you.

Every Clarity Aligners patient receives a series of custom fit aligners made just for them.

You deserve it!

Time to treat yourself to the bigger, brighter smile you've always wanted.

We have an app for that!

Track your progress in real time with the 3M™ Treatment Tracking app.*
